

# Ignite a Relational Revolution

*Relational Revolution*: \noun\  
A NEW WAY TO LIVE THAT EXPLORES THE REAL BATTLE IN OUR SOULS AND FREES US TO VALUE INTIMACY WITH GOD MORE THAN BLESSINGS FROM GOD.

“I am convinced that developing and communicating this message (IGNITING A RELATIONAL REVOLUTION) in all its fullness is my calling for the rest of my life and will far outweigh in value anything I may have done so far.”

*Dr. Larry Crabb*

ARE YOU ONE OF THE TENS OF THOUSANDS OF AMERICANS WHOSE LIFE HAS BEEN IMPACTED BY DR. LARRY CRABB'S WRITING AND SPEAKING MINISTRIES? It's likely you are. Whether you've read one of his books, heard one of his lectures or attended one of his intensive training courses—like the School of Spiritual Direction—you've witnessed the profound ways God is using Dr. Crabb. What you may not realize is the crucial role NewWay Ministries serves in advancing Larry's vision to ignite a relational revolution among evangelical Christians.

{ Our desire is to reflect a passionate commitment to hear God speak in the bible, in all his 66 love letters to us, for living in the new way of God's Spirit (ROMANS 7:6) }

## The Vision

In 2002, Dr. Crabb felt a strong leading to revolutionize the way Christians think, live and relate. He established NewWay Ministries to follow that call. Dr Crabb's vision is to ignite a relational revolution among evangelical Christians by transforming the way believers view intimacy with God and the role of community in fighting the battle for our souls. The NewWay purpose is to generate resources and opportunities to advance this vision that only understanding the Gospel makes possible. Over the last eight years, we have focused on three primary areas:

### 1 INTENSIVE TRAINING

Provide in-depth training by creating one-week intensive environments that give believers a taste of what's possible in community and the tools for creating similar communities in their home churches;

### 2 RESOURCES

Develop a library of books and videos that equip believers to think more biblically and live more authentically with God and in community;

### 3 CONFERENCES

Produce and participate in conferences that facilitate spiritual conversations that change how Christians relate to one another.

“When I attended the SCHOOL OF SPIRITUAL DIRECTION my paradigm was turned upside down and my self-protecting ways of relating were exposed. Instead of feeling condemned and burdened by my sins, I left with a new sense of hope for our marriage, our family, our friends and our church. LARRY CRABB and the NewWay team have left an indelible mark on my life and I believe this “new way” of relating has the power to transform the church in a generation-altering manner. Keep up the good work NEWWAY!”

*Tim Burke, former Major League Baseball pitcher*

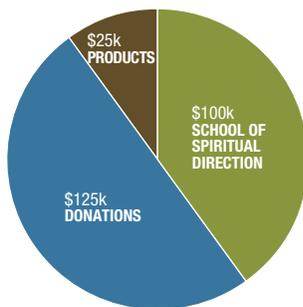

“LARRY CRABB shirks no troublesome questions and treats the Bible with utter seriousness. I look on him as a mentor as well as a faithful companion in the search for truth.”

*Philip Yancey, author*

# Leave a Lasting Legacy

## NEWWAY'S FINANCES

*We are deeply grateful* for the hundreds of you who have stood with us in prayer and giving over the last eight years. As you can see, donations provide about 50% of our operating budget. Your donations help us fuel the transformation we hear God pronouncing for His evangelical church.

“NEWWAY MINISTRIES has changed how I experience the Trinity and relate to others—the depth of change couldn’t be more profound. I’m a different man, husband and father, and even more, a better Christ-follower. I wholeheartedly endorse the ministry of NewWay and encourage others to join me in supporting Larry’s three-year vision.”

*Jody Humber,  
School of Spiritual Direction  
Alumni and Supporter*

### The Goal

Larry’s vision and calling for ministry is more clear and passionate than ever, but at 66 years old, we recognize his time for ministry is limited. Therefore, we are seeking to free him up in a way that would allow him to focus on the creation and production of training resources. These resources can immediately impact the way Christians relate to one another. The long-lasting result is a library of resources that will reach beyond Larry’s life to future generations.

**TO DO THIS, our goal is to limit the number of speaking and consulting engagements he accepts over the next three years. That comes at a significant financial cost. Our desire is to raise enough funds to allow Larry to focus on creating these lasting resources that would fuel this relational revolution. To accomplish this vision we will need to raise \$150,000 each year, a total of \$450,000 over the next three years.**

### The Need

We often hear about multi-national pharmaceutical companies who invest hundreds of millions of dollars to find a cure for serious diseases like cancer or heart disease. None of us blink an eye at these staggering amounts. Nor should we. Yet, the heart issues facing evangelical Christians are far more paralyzing and threatening to our relational lives than a serious disease. How much are we investing in that research?

At NewWay, we are seeking to invest \$450,000 (less than half a million dollars) over the next three years in the creation of resources, training events and conferences that will spark a relational reformation in the evangelical church. The problems facing Christians are numerous, but they all boil down to misplaced heart affections that can be transformed through a new way of relating to God and each other. With your partnership, NewWay can develop some of the much-needed resources that we believe God will use to change lives, churches and communities for eternity.
